Safeguarding Representative, All Saints The church needs someone to take over the role from Stuart Dennison who thinks it is time to step down after 23 years. The role includes the preparatory work for DBS checks and trying to ensure a safe environment exists in church activity for children, young people and adults at risk. You would need to be a regular at All Saints and to respect confidentiality. It is a vital role for the church and if you would be interested in learning more about the role please contact Fr. Stephen.
